**Re: South Carolina Disconnection Report for Duke Energy Progress, Inc.
Docket No. 2006-193-EG**

Dear Ms. Boyd:

In accordance with the request of F. David Butler dated January 13, 2005, enclosed is Duke Energy Progress, Inc.'s South Carolina Disconnection Report of Service Terminations for the period October 2014 through December 2014.

The attached information contains the total number of customers whose services have been terminated, the daily number of customers' services that have been involuntarily terminated and the reasons (i.e., nonpayment of bill or deferred payment agreement and fraud or tampering), and the average duration of service interruptions.

If you have any questions, please let me know.

Yours truly,

ROBINSON, MCFADDEN & MOORE, P.C.

31	4	2	31			31		8

- 3) Reasons for involuntary terminations: customers were disconnected either for non-payment of electric bills or for conditions on the customer's side of the point of delivery deemed by Duke Energy Progress ("DEP") to be dangerous to life or property. Totals were as follows:

Reason	October	November	December
Non payment	1874	1459	1385
Hazard	31	35	40

- 4) Average duration of involuntary terminations:

0.67 days (based on instances in which DEP can confirm that the reconnect is in the same name and at the same premise as the disconnect)

- 5) Company procedures in effect governing involuntary terminations, including any procedures followed by the utilities to inform customers who faced termination of those regulations and programs which may offer those customers assistance in maintaining their service:
